FRN's: 2748411, 2745452

**Explanation of Appeal**

We are writing to request a waiver of the 60 day appeal deadline for the above referenced FRN's. In all the FRN's above there were multiple entities contained in each FRN. The total amount funded on the FCDL for each FRN was correct. However, it was discovered later through use of the new USAC Category 2 Budget Lookup Tool that USAC did not allocate the correct amounts to the entities for each FRN. The entities affected now have the wrong budget allocations resulting in the remaining budget amount to be incorrect. This error will not allow these entities to make full use of their Category 2 funding for the remaining 4 years in the budget cycle.

**Conclusion**

Based on the information provided, we ask that the 60 day appeal deadline be waived so we can file an appeal with USAC for the above referenced FRN's to correct the C2 budget allocations for the affected schools.

We have attached copies of the FCDL's for the applications for reference.

Thank you for your consideration in this matter.

Sincerely,
